

Product: TUSET UP&DOWN LED 2500/5000 PLX/LOUVER WHITE E 24 840 / S-1,5M Index: 19.2243.4321.24

Description

Luminaire specially designed for offices, with a distinctive and exclusive geometry, with the best lighting performance and very high durability. The optical system is an opal PMMA diffuser and a high-performance louver, which provide direct-indirect light emission (up & down). Minimum glare and maximum luminous flux combined in the version with louver. Reduced profile metal enclosure, allowing spaces to be enriched with an exclusive design, without giving up the integration of the luminaire with the interior design, thanks to the wide range of possibilities for customizing the combination of body-louver colours.
