|                           | Name         LUXCAN MICRO SEMI-RECESSED ROUND 600 36° E 63 840           Index         19.4374.1321.63 |                                      |
|                           | 1110EX 13.4374.1321.03   |                                      |
|                           |  |                                      |
| Light and electrical data | Light source   | LED                                  |
| 3                         | Luminous flux LED [lm]   | 667,3                                |
|                           | LED power [W]  | 4,3                                  |
|                           | Luminaire luminous flux [lm]   | 533,2                                |
|                           | Power of luminaire [W]   | 5,4                                  |
|                           | Luminaire's light efficiency [lm/W]  | 98,7                                 |
|                           | Color of the light [K]   | 4000                                 |
|                           | CRI  | >80                                  |
|                           | SDCM (LED sources)   | 3                                    |
|                           | Beam angle [°]   | (C0-C180) / (C90-C270) - 34° / 38,2° |
|                           | Photobiological risk class (IEC/EN 62  | 2471) <b>RG0</b>                     |
|                           | Protection against electric shock  | III                                  |
|                           | Protection degree  | IP20                                 |
|                           | Voltage  | 220240 V, 5060 Hz                    |
|                           | Lifetime of LED sources [h]  | 100000                               |
|                           | Lx/By  | L80/B10                              |
|                           | Operating temperature range [°C]   | 5 ÷ 35                               |
|                           | Driver   | standard on/off (E)                  |
|                           | Power factor cos φ   | >0,95                                |
| Mechanical data           | Assembly mounted in suspended ceiling  |                                      |
|                           | Material alu   | ıminum                               |
|                           | Color RA   | L 9003 (white)                       |
|                           | Diffuser op  | tical system based on PMMA lenses    |
|                           | Impact resistant IKC   | 04                                   |
|                           | Dimensions [mm] Ø3   | 33 x 65                              |
| D                         |  |                                      |

## A graph of light

Luminous flux tolerance +/- 10%. Power tolerance +/- 10%. Technical data may be changed. Photos of the luminaires may differ from reality. Date of last update: 19-08-2025
