

Product: GRANVIA 20500 OVAL EDD 34 840 / L-2250MM

Index: 19.4377.6C23.34

## **Description**

A cutting-edge energy-efficient linear luminaire, designed to deliver exceptional lighting performance for industrial, warehouse, and commercial spaces. With an impressive luminous efficiency up to 197 lm/W, this advanced lighting system ensures maximum performance while minimizing energy consumption. Installation is tool-less, making the process easy and quick, allowing you to create long lines of light with minimal effort. This luminaire is a perfect solution for supermarkets, large warehouses, and other retail and industrial spaces, offering efficient and sustainable illumination tailored to specific needs. Luminaire is available with 7 different light distributions, IP20 and IP54 version as well as with an option of customised body colour, colour temperature and CRI to match exact needs of most demanding projects.

## **Product information**

| Category | Industrial luminaires                    |
|----------|--|
| Family   | GRANVIA                                  |
| Name     | GRANVIA 20500 OVAL EDD 34 840 / L-2250MM |
| Index    | 19.4377.6C23.34                          |
| EAN      | 5902107595968                            |

## Light and electrical data

| Light source                              | LED                                       |
|---|---|
| Luminous flux LED [lm]                    | 20737,8                                   |
| LED power [W]                             | 106,3                                     |
| Luminaire luminous flux [lm]              | 19096,6                                   |
| Power of luminaire [W]                    | 119,1                                     |
| Luminaire's light efficiency [lm/W]       | 160,3                                     |
| Color of the light [K]                    | 4000                                      |
| CRI                                       | >80                                       |
| SDCM (LED sources)                        | 3   |
| Beam angle [°]                            | (C0-C180) / (C90-C270) - 45,6° / 93,8°    |
| Photobiological risk class (IEC/EN 62471) | RG0                                       |
| Protection against electric shock         | I   |
| Protection degree                         | IP20                                      |
| Voltage                                   | 220240 V, 5060 Hz                         |
| Lifetime of LED sources [h]               | 90000                                     |
| Lx/By                                     | L80/B10                                   |
| Operating temperature range [°C]          | -20 ÷ 35                                  |
| Driver                                    | DIM DALI (EDD)                            |
| Power factor cos φ                        | >0,95                                     |
| Circuit load capacity                     | 14 (B10), 22 (B16), 14 (C10), 22<br>(C16) |

| Mechanical data<br>□ ± | Assembly         | directly mounted to ceiling construction or<br>surface mounted on slings |
|------------------------|------------------|--|
| В                      | Material         | steel sheet  |
|                        | Color            | RAL 9016 (white)   |
|                        | Diffuser         | optical system based on PMMA lenses                                      |
|                        | Impact resistant | IK06   |
| Α                      | Dimensions [mm]  | 2250 x 72 x 66   |
