

Product: LUXWALL DECO LED 1X G9 ODB-INOX Index: 19.3021.0001.20

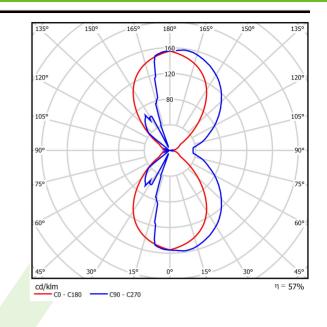

Description

Architectural luminaire, wall mounted for decorative or accent lighting of representative interiors, halls or corridors. Eagerly used in such facilities as hotels, palaces, villas or art galleries. The body is made of steel painted white (RAL 9016). Other colors available upon special request. Luminaire reflector made of polished stainless steel (possibility of painting in white). The product is available in two variants due to the light source. It can be equipped with LED sources and an electronic driver or have a G9 base for interchangeable sources of general use that do not require a dedicated driver. In-direct luminaire.
