

Product: KUBIK LED 3X1,7W 24°/6500K E IP65 21 Index: 19.3153.0021.21

А

Description

An outdoor fitting made for illuminating building facades and creating lighting effects. The body is made of aluminum painted with special facade paint which is resistant to bad weather conditions. Energy-efficient fitting made of component parts produced by renowned companies. It is possible to use various LED colours at the request of a customer. Ergonomic shapes of the fitting enable the application of the Kubik-type fitting almost in every building. The assembly and accessibility of the internal parts are very easy. The fitting is featured by a high level of protection against the penetration of solids and water: IP65, which renders the fitting an interesting decorative solution highlighting the architecture of an illuminated building.

Product information	Category	Outdoor luminaires	
	Family	KUBIK LED	
	Name	KUBIK LED 3X1,7	W 24°/6500K E IP65 21
	Index	19.3153.0021.21
